Letter of authority

Dear Sir/Madam,

I understand that you, NANOSOFT WEB SOLUTIONS LTD T/A NFS ENERGY & 08543522 need written confirmation from me, in the form of this letter, so that you can provide (and show relevant service providers that I/we want you to provide) the services we have agreed.

Therefore, for the purpose of you dealing with water supply and/or wastewater services retailers on my/our behalf, I confirm that you are authorised to carry out the following activities in relation my/our water supply and/or sewerage services arrangements:

- Request and receive current and historical information relating to premises registered in my/our name including, without limitation – consumption history, meter numbers, contract end dates and termination fees.
- Request and receive current and historic information about my/our billing, consumption, meter details, tariff and debt information held by my/our current and/or previous water supply and/or sewerage service providers.
- Request, receive and negotiate quotes from providers of water supplies and/or sewerage services.
- Negotiate contract terms with providers of water supplies and/or sewerage services Issue contract termination notice(s) in relation to my/our existing water supply arrangements and/or sewerage services arrangements, and handle any objections issued by my current service provider.
- Agree and enter into new water supply and/or sewerage services arrangements.
- Other (please specify): _____
- I acknowledge that we have discussed and agreed your charges and how you are to be paid and therefore I understand that the bill I receive will reflect the charges of the relevant water supply and/or sewerage services provider plus your charges

This Letter of Authority shall remain valid until for 12 months from the date of this letter and will supersede any previous letters of authority unless I/we tell you otherwise in writing.

Yours faithfully,

Signed
